

**PROTECTION CLASS 9/10
SUPPLEMENTAL RISK DEVELOPMENT**

Please note: If a property is in a Protection Class 9/10 it is identified as having a higher potential for fire. If any of these additional conditions also exist, it can immediately increase the exposure for loss and the risk should not be bound in most cases.

- | | | <u>Y</u> | <u>N</u> |
|--|--------------------------|--------------------------|--------------------------|
| 1. Responding fire department: _____
Is this a volunteer fire department?
Name: _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Subscription fire department?
If yes, does the insured pay the required annual fee?
<i>If they do not pay fee, they will not receive service of department.</i>
Distance to the fire department and response time: _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Fire-site pump capacity?
Quantity of water available from supply source: _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Is the property on a paved access road?
Is this access road maintained?
If so, by whom and how often? _____
If not on a paved access road, how far is the property from a paved road? _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Is the property visible from a neighbor?
If yes, distance to the nearest neighbor: _____ | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Are there any physical barriers surrounding the residence that would limit access by firefighters? (i.e. Foot bridges, bodies of water) | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Is the risk in a forested area?
If yes, is there a brush clearance of greater than 350 feet surrounding the property? | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. Is there a woodstove? If not installed by the manufacturer or licensed contractor, complete a wood stove inspection report and with two photos.
<i>See woodstove questionnaire for acceptability.</i> | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
